Monday, April 27, 2015

- Boy Scout Projects. Marcellus Troop 66 Scoutmaster Brian Winoski will attend to discuss:
  - Guppy Falls overlook railing. Eagle candidate Matt Winoski will present his written plan for our approval.
  - Federal Farm observation deck steps (northern approach) Eagle project.
  - Three planting. **Thanks!**
  - Trail distance measuring for maps.
- Tree-planting report and plans. See [2015 tree planting](#).
  - About 250 bare-root tree seedlings have been planted this Spring so far
  - About 150 bare-root tree seedlings will be planted next month.
- Trail marking, naming, and mapping.
  - Many trails have the same color blazes and no other clear identifier to distinguish them from each other.
  - Open trails have no markers.
  - Names for trails and “blocks” or “fields” and markers for them could help for management planning purposes.
- Fishing derby plans.
- HGCNY tours will feature problem areas and solutions including wildflower and forest restoration:
  - June 13th at 10 AM (with Greg McGee)
  - June 20th at 10 AM
- Turkey season signs.
